Counter Service Script

[DOWNLOAD HERE](#)

Create a Counter Services Website!! Our counter service website is a site that offers users the ability to sign up for a counter service for their website. Users can join for free which adds a counter to their site that displays Total Hits and Unique Visitor's, in addition to a link back to the counter service website and a rotating ad that the administration determines. Ads that can be a text based link to an advertisers website, or HTML for banners. Free members also have the ability to upgrade to a paid counter service. For paid counters, only unique visitor's and total displays. There are no link backs or ads. An advertising page is also included in this website to sell advertising space on the free counter service member sites and in the newsletter that features the option of mailing to all members, free members or paid members only. PHP mysql for a powerful, fast backend. Be up and running in minutes! SUPER BONUS: Order now and receive MASTER Resell Rights so you can sell Counter Services Script and keep 100 $$$ of the profits! You'll even get a copy of this sales page which you can easily customize!
