Don't Pay The \$127, \$97, Or Even \$47 Some Are Asking For This Exact Software! As A Valued Customer Of Mine, I'm Making Article Submitter Software Available To You For Only... (read on) From: Kevin A. Koop Creator Of: The "Article Domination Method" & The "Article Writer's Cheat Sheet" Dear Friend, More than likely you found this page as a result of buying my "Article Domination Method" ebook or getting your hands on my "Article Writer's Cheat Sheet." If that's the case, I certainly don't have to convince you how important aggressive Article Marketing is, because you already know! In both works, I reveal proven methods to help even novice writers churn out quality articles like a seasoned pro. Even so, you still have to find an effective way of getting your articles into the "hands" of every article directory that'll take them, and this is where many lose hope. The truth is, article submission can be exhausting unless you have a way to automate the process... This is where Article Submitter comes in! order now Article Submitter is a desktop application that connects to the Article Directory sites via your internet connection. You simply preload the article information into Article Submitter once, and let it take care of the rest. It will log-in to each directory you've selected and pre-populate (fancy for fill-in) all the necessary fields automatically. Once you've reviewed the submission for accuracy, you simply click the appropriate button to submit. Article Submitter will automatically connect to the next directory you've chosen and the process will be repeated until your article is submitted to each and every directory you've selected. Rather than write some long, boring salesletter, I've decided to do a little "show- and-tell." get it today Submitting articles with Article Submitter is fast and easy. In five short steps, Article Submitter will distribute your articles to the far-corners of the net. Here's a visual guide which will explain the process... Step# 1 In Step# 1, you'll create a Free Membership Account at a variety of Article Directory Sites. This will take about 5 minutes, on average, per directory and only has to be done ONCE! Step# 2 Article Submitter Software - Screen Image 1 In Step# 2, you input your "User Info" into Article Submitter. This goes real fast and like Step# 1, it only has to be done ONCE! summary and keywords. Once complete, Article Submitter saves your article information (see the top graphic). order now Step# 4 Article Submitter Software - Screen Image 4 In Step# 4, under the "Websites" tab, you select which Article Directories you'd like to submit to. (Note: Article Submitter comes pre-loaded with over 100 directories from which to choose.) The row of buttons, which are being pointed to by the red arrows, allow you to EDIT a website's URL if it has changed, CREATE a new directory listing, DELETE an existing directory or SELECT ALL directories with the click of one button. Step# 5 Article Submitter Software - Screen Image 5 In Step#5, you select the "Auto Fill" tab and then click the "Start" button.
