

Survey Wizard Script

[DOWNLOAD HERE](#)

Survey Wizard Script Survey Wizard allows you to create surveys for your site and have your visitors fill them out. You can add an unlimited number of surveys, each with an unlimited number of questions. For each question, you specify how the answers should be presented to the user: a select list, radio buttons, check boxes, or a text input field. Each question can have up to 10 predefined answer choices.

FEATURES 100 templates to fit into your own site design Simple and quick to set up Survey your users for fun or for research Supports an unlimited number of surveys Each survey can have an unlimited number of questions Versatile question setup lets you choose which format answers appear in Admin script for easy survey creation and results viewing Optionally allow users to view survey results SUPER BONUS: Order now and receive MASTER Resell Rights so you can sell Survey Wizard Script and keep 100 \$\$\$ of the profits! You'll even get a copy of this sales page which you can easily customize!
