Classifieds Service Script

[DOWNLOAD HERE](#)

The classifieds website allows visitors to search and post classified ads. The ads are detailed with descriptions, photos, business information and contact forms. People can also list for a fee. After someone has registered, he/she is able to select and buy a package depending on the exposure they would like and for the length of time they would like to be listed. Payment can be done via PayPal and registration is automated. The person will receive a few emails - 10 days before his account will expire, 5 days, 1 day. 24 hours after his account expiration date, his listing and his account will be deleted automatically. People are able to upload their banners too. Detailed statistics are provided for each of them. Siteadmin panel: 1. Admin can add/edit/delete listings 2. Admin can add/edit/delete unlimited categories 3. Admin can add/edit/delete/approve members 4. Mailing list manager - send emails, delete subscribers, message archive 5. Banner manager - view/delete banners 6. Manage the site settings - title, keywords, description, paypal email, Contact email, company address, agreement, add/edit/delete different priorities and prices. 7. Admin info - change username, password, name, email This Packages comes with 2 different Scripts to use! Script Package 1 has 12 AMAZING Templates to use with your Script! Script Package 2 has 5 AMAZING Templates to use with your Script! It also comes with a special software you can use to edit your scripts with just a click of a button!
