Would you like an easy and fast way to create more income WITHOUT having to generate more customers in the process? Im willing to bet that you are. After all, we all want to have more cash profits without having to generate additional buyers. The good news is that there is a solution and youre going to get instant download access to it today... Follow Up System In A Box Extract Cash From Your Existing Customers Faster & Easier Than You Ever Imagined Was Possible! From: Your Name Here Tuesday 11:06 AM Dear Friend, There are tons of courses out there that promise you the world and spout themselves off as the newest, greatest and most hidden secret out there. But Im here to tell you that you dont need the newest, most flashy course to show you how to bring in more customers. In fact, you can create tons more profit doing nothing more than leveraging the existing customers that you already have. Best of all, this can be done without all of the additional expenses that you usually have to incur when creating additional profits. This letter is going to reveal to you the system that I personally use to suck every ounce of cash possible from my customers. Thats not a bad thing either! I am actually helping my customers out in a big way by getting them to spend more money with me. You can learn how you can both collect tons more profit from you customers AND give them substantially MORE benefit. Its a true win, win. The only problem with this is... Following Up & Asking For More Money Has Always Been A Touchy Thing Thats Required Superb Copywriting Skills... First, let me tell you something that you may not be aware of before we move on to the pitfall that you need to know about... Getting a person who has just spent money with you to make an additional purchase is 100 times easier than getting a non-customer to make a first time purchase. I suggest you read that statement again and really give it a chance to melt into your subconscious because

it could prove to be the most profitable thing you implement into your current online business efforts. Now on to the pitfall... Writing effective follow-up and up sell messages to get people to pony up that additional dough for an additional product or service is very difficult. After all, we aren't all copywriters and if you don't know how to persuade in print, it doesn't matter if they just made a purchase and trust you because they won't buy if they aren't convinced. That's what holds nearly all online businesses back from following up and trying to get more money out of their customers. The other option is to hire a professional copywriter which would cost you tens of thousands of dollars for nothing more than a handful of messages. YIKES! None of us want to come out of pocket for that much cash just to try and make more money from our customers. But there is good news that will solve both of these problems... Your Pre-Written, Fill In The Blank & Fully Automated Follow Up System Ready To Pop Into Place In Just A Few Minutes! Follow Up System In A Box Will Allow You To Make Tons Of Additional Sales To Existing Customers... Completely pre-written. You don't have to write one single word and can enjoy the peace of mind knowing a professional copywriter crafted your messages from scratch! 101 messages.
