MODULE 01: The Brand Dynamics Mindset -- Flash Video and MP3 Audio How to use the Brand Dynamics method to distinguish yourself from the rest of your competitors - whether there are hundreds or thousands of them, you can now render them irrelevant just as TESCO did to other small-time retailers! How to pick and choose the best grounds on the hill before you start competing with other businesses! This is a must know if you are entering a highly competitive niche like the Internet Marketing arena. How to get the best type of buyers - the ones with more money to spend and less excuses to make - and get them to trust you! How to develop Attraction Marketing - get people to go to you rather than YOU go to people! Want an on-going, steady stream of customers? Think like a L_ _ _ _ _! And much more!

===== MODULE 02: Identifying Your Brand DNA -- Flash Video and MP3 Audio Secrets to building a laser-focused, public identity that lasts! (hint: this is the same reason why hundreds of thousands of people saw Internet Marketing legends like Mark Joyner, Jay Abraham, Mike Filsaime, and Jeff Walker... as Internet Marketing legends!) How to capture the attention of the market - any market of your choice - by the masses using the "Blue Ocean" approach! The secrets to building your Branding DNA Statement - _ _ _ Are You + _ _ _ Buy How to attract the right choice of buyers with money to spend to your websites - and how to avoid getting untargeted buyers (that normally result in massive refunds, angry, unsatisfied and unreasonable people!) And much more!

===== MODULE 03: Your Brand Communication Style -- Flash Video and MP3 Audio How to communicate the right message to potential buyers - and that

they will pass the same message to other potential buyers! How to craft your websites so that they have a distinguished look that once your prospect sees your website, they know it's YOU! Secrets of persuasion to press your prospect's hot buttons that will make them buy from you over your competitors... even if you both sell a similar product! SEO Experts always talk about getting good Search Engine rankings. I will show you how to get good "SEO" score in the minds of your prospects! So that every time they face a new problem your product can deal with, they think of you FIRST! A strong, under-utilized leverage that builds your credibility BIGGER than if you had tried to do it on your own! And much more!

===== MODULE 04: Broadcast Your Brand To The World -- Flash Video and MP3 Audio How to start marketing yourself to a pool of targeted audience... even if you're new to the traffic generation challenge! How to create short, effective messages that sells you and your product at a FREE or low-cost expense! Most people who are starting out online are always running their business on a budget. This strategy shows you how to get enormous leverage for your buck even if you're doing this on a shoe-string basis. Why your BIGGEST asset for your business is in your L _ _ _! Discover 5 freely available tools on the Internet that you can use to build your brand, establish your presence and capture the minds (and hearts) of your buyers! (a rough idea: one of these tools have helped renowned 7-figure copywriter Kenneth Yu to get \$10,000 in consultations, JVs, copywriting projects, and product sales! Previously, he was a nobody!) How to use blogs to build your brand like successful bloggers do! John Chow, moneyshoemaker, Gobala Krishnan... Secrets to using the Internet's #1 social networking site to create your professional business profile and position yourself as the #1 go-to expert! And much more! ===== MODULE 05:
