

Cycling's 50 Craziest Stories - Les Woodland

[DOWNLOAD HERE](#)

Professional cycling has been around for more than 100 years, more than enough time for nearly anything imaginable to have happened. Whether it's the Tour de France racer who thought the worst thing that could happen to him was being forced to wear the Yellow Jersey, or the communist team director who insisted, on a whim, that a rider have a toe amputated or the fit of jealousy that started the Giro d'Italia, the sport has an endless supply of examples of human folly. Les Woodland has the perfect knack for telling these improbable, silly, crazy and absurd stories. Words: been around, cycling sport, cycling sports, de france tour, france tour de, more sports, sport cycling, sports cycling, sports team, sports wear, wear sports Author: Woodland, Les Publisher: McGann Publishing LLC Illustration: N Language: ENG Title: Cycling's 50 Craziest Stories Pages: 00000 (Encrypted PDF) On Sale: 2010-04-30 SKU-13/ISBN: 9780984311712 Category: Humor : Topic - Sports Category: Sports & Recreation : Cycling - General Category: Sports & Recreation : General
