Crimestyle Mafia Mmorpg Script

Crimestyle Mafia MMORPG Script. Introduction to the Game Source Enter the Mafia World, where you will become a boss of a crime gang. You have the choice to collect money from your casinos, dealing, street races, and many more! You will use bails, and minor crimes during your daily routine. You will embark in street wars against other gangsters for control. You can start your own Family gang, or join another with a well structured hierarchy. The options are endless so you can become a real gangster the way you like it! And dont forget, it is all about respect! This game is a web based Mafia Massive Multiplayer Online Game and completely browser based. This means you dont need to download anything or install anything! Crimestyle | The Perfect Edition will bring you a full game source with over 150 game options, very cool grafics, city maps, gameplays and a professional layout to start your own online Mafia game in a few minutes. The installation will only take a couple of minutes, even if you dont know much about webdesign, we deliver the whole package with an easy manual with screenshots! After your setup you can earn real money with your own online game with the build-in payment systems (Paypal and phone payments). A couple of the Game Features Easy setup and Installation No files need to be modified! Special installation manual to install the source in a few minutes maximum! Everything Is Automated! Earn money while your sleeping! Payment options are automated. Build in payment options like PayPal and Phone Payments are build in so a member is credited automatically once he pays! You dont have to do anything! All scripts are open to edit yourself! We dont code our scripts so you cant edit them yourself. All or script are open so you can modificate your complete game source! Easy to change your ranks and city names in 1 file! You can change all the game ranks and city names easy in 1 file. For example: $ city_1 =New York; $ city_2 =Paris; $ city_3 =Istanbul; $ city_4 =Moscow; $ city_5 =Tokyo; $ city_6 =London; This way you can change the original language to your own very quick and very easy! Supporter Features The source has over 150 Game options. This are some of the options 1. Steal, rob, kill, shoot and lots of other crimes 2. 9 casino games. Let your player earn game money in the virtual casino with Blackjack, Scratch tickets and more 3. Car racing, missions and more car options 4.
