The Vicar of Nibbleswicke by Roald Dahl - eBook for your Kindle (mobi) This item is for an eBook in the mobi format. Book summary as follows: Imagine what would happen if a nervous young parson were re-afflicted with a peculiar strain of his childhood dyslexia, so that he unknowingly pronounced backwards only the most significant word in every sentence. In the fiendish hands of Roald Dahl, the parishioners must not only suffer the offense of praising Dog, but when the unsuspecting vicar attempts to compliment a group of little old ladies on the fact that each of them knits , his actual words incite chaos. Written for the benefit of the Dyslexia Institute in London, this slight book employs a host of jocular (though sometimes vulgar) malaprops to accentuate the beleaguered parsons condition. Ages 8-up. Please note that the mobipocket format can also be used with the Kindle-for-PC program from Amazon... Other formats available upon request...
