WP BONUSES - WP Adsense System Wordpress Adsense System..... The Wordpress Adsense System is a complete guide for blogging or even marketing newbies that want to use Wordpress to build Adsense sites. Here's the cool thing about Adsense: 1 - It requires very little work to start earning fast 2 - It's almost 100 maintenance-free since it's just clicks you're after and you don't have to provide support 3 - Done the right way, it displays sites related to your content and actually helps improve the overall value 4 - It can blend in with your site, and never annoys your blog readers. 5 - Almost any blogger from any country can have an Adsense account and receive a check to their home address. (with some exceptions) Almost every blog I've come across have Adsense ads in them one way or another, simply because it's the easiest way to make money blogging.
