

Handy Color Schemer (Web Color Picker)

[DOWNLOAD HERE](#)

Just like you, I used to spend too much time deciding on a color theme that would'nt make my sites look to skanky and cheap? You might agree that one of the most daunting task in creating a website is deciding on a color scheme. And just like you I used to design my sites from scratch without a single clue as to what my site's color scheme should be. I used to go through other sites spying on their color themes and getting their color hexes together but to my surprise it doesn't look right! Its like something is missing. Can it be the hues? The tones? What is it?..... You see... not many professional designers will tell you that even they have a hard time creating a color theme for a website from scratch. Best of all, most of them were paid to provide you with a pleasing color combination that will.... believe me or not, boost up your conversion rates and give you more profit on a dollar. This is a typical scenario for us marketers. We need to design sites fast, to the point and of course save every single bit if possible by doing it ourselves! Simply put...
