This Ebook is great for tips and resources to help bands get their name out there. I am giving you master resell rights so you can sell it and make a profit yourself. Think That Succeeding with Your Band in Today's Music Industry is Hard? Need Some Help? "Discover Original and Completely New Methods that Will Get Your Band Noticed and Keep that all Important Buzz Going!" Let me teach you how to do exactly the same things that I have been doing for the last 10 years so your band can get the recognition that they deserve! "great book!" Your promote your band ebook is amazing! It is very clear and straight to the point and gives good insight on the music industry today. Even though I have been playing shows for years, your book taught me very important facts that I will never forget. Thank you. Tanya Mitchell Piece by piece, like a jigsaw puzzle, you will uncover the best strategies for "becoming the next big thing" that the real pros have already unearthed. Learning the ins and outs of the music industry has never been more straight forward and clear. Following the steps in this book will ensure an instant improvement in your band and you will notice it! The ways of self promoting your band have drastically changed in the last ten years. The internet has had a huge impact on our society and billions of people are now using it. A&R reps are now going online to search indie bands EPK's (Electronic Press Kits) and Myspace pages. Bands are also using the net to attract more fans and sell more cd's. This book will cover all of the new ways of promoting your band that took me years to figure out! I will cover everything you will need to do (online and off) to get your band acting and feeling professional. Are you finding it hard to find fans (especially targeted ones) online? Do you find it hard to really get the crowd going while playing live? Having trouble finding gigs? If you answered yes to any of these questions then this book will really help you out on your road to success. Changing Times Call for New Measures in the way you promote your band, and "Promoting Your Band Successfully With Today's Technology" Delivers Just That. Learn why having a website for your band is so important and ways you can get it done yourself. Learn why your band needs a Press Kit and how to make it look professional. I'll show you why you need a mailing list to gather subscribers and how to keep them interested. I'll let you know how to promote yourself through social networks (extremely important for gaining new fans!) This book will show you how to get more fans,

which will in turn bring a larger turn out to your gigs, which will end up getting you more gigs, which will bring something else. You see where this is going? When you start doing everything right you will notice other things will just start to fall in place. Once you notice this happening you have created a buzz! I will show you how to do all of this quickly and easily all in the book. \* Online Promotion - The internet is easily the best and fastest way to promote your band to a number of potential fans at one time. I will go over all of the major social networking sites and give you tips on promoting your band through them. \* Bands Website - I will show you why a website is so important and cost effective ways for getting your site up and running. I'll even give you tips on ways to do it yourself. \* Offline Promotion - Offline promotion is still a big factor in the success of your band. I will give you tips on everything from your demo to your photos to your stage presence at your live shows. Extremely important. \* Digital Distribution - I'll let you know the importance of selling your music on the internet and where you can go to get sell your songs online.
