The seminar was sponsored and hosted by Appraisers in the Los Angeles County area. As it was explained to them, by simply reducing the turn around time and still maintaining complete accuracy, Bank Lenders and Mortgage Companies can close more loans faster, prevent unnecessary appraisal delays and stop underwriting roadblocks so they can put more commission money in their pockets-----FASTER. There are several things that you can do as a real estate Lender to avoid unnecessary Appraisal delays. Not only would you be able to close more loans faster, but

everybody else in the loan process would benefit greatly, especially the borrower. Like in every other business, "Time is Money". When you lose time, you are losing money. It was one of the hottest topics at the seminar with the most interest. Some of the Appraisers' best suggestions are included in this eReport.
