Welcome To 2dollar Store all our products comes with Resale Rights. Buy from here and sell it anywhere and make big profits or you can use it for your Personal Use. Product Details-- Dont sound like an amateur when you do a PodCast! Sound Just Like A Professional News Anchor.... The Next Time You Create Your Own Podcast Or Vblog! Podcasting or Vlogging can be loads of fun when you are doing it just to play around... But If if you are creating audio or video for your professional web site... Don't sound umm like ughh a dork that can't remember what the heck umm they are trying to ughh say! Do it like a real PRO with Podcast Teleprompter starting today! PodCast's and Vblog's are a pretty incredible new technology, arent they? If youre like me, youve probably thought about doing some PodCasting of your own. Maybe youve taken the first step and done a recording. I did that, too, and I was really stoked about it until I played it back. It went something like this: Uhyeahthis is YourFirstName. YourFullName. Im gonna review this CD fromno, wait, its a DVD. OK, Im reviewing the latest, uh, DVD from Coldplay Oh, THAT was impressive. Yeah, right. Like Id want to send that out over a PodCast or Vblog, with all the ums and ahs. No way, Jose. But then I got an idea Suppose you could use a simple tool to edit out all the ums and ahs and do-overs. Imagineyou do your PodCast or Vblog, talking just like you normally do without having to be self-conscious or think about what to say. Then you use a simple tool to smooth it all out so it sounds like a pro recorded it. Sounds too good to be true? Well, it isnt if you have the right tool. Think about it. The ability to edit and delete could make you into a PodCast or Vblog star overnight. But Cleaning Up Recordings Is The Hard Part You could pay a sound engineer to clean up your PodCast, but it would cost you a lot of moneythose guys make at least \$50 and hour. But instead of paying some sound engineer a fortune OR trying to read from a script (which sounds fake anyway), what if you had PodCast Teleprompter Finally! A way to quickly and easily make every PodCast or Vblog you make sound just like Anderson Cooper on CNN or someone like him recorded it. Retail Value: \$97.00 Product Rights: Master Resell Rights + Private Lable Rights Tags: podcast teleprompter podcast teleprompterwith master resale rights
