Saving Time and Money for Work at Home Entrepreneurs Strictly for the One Man Entrepreneurs and Work at Home Moms! Description: People say that the main reason that they want to work at home is because they can work only when they want to work. It IS true that you can set your own work hours when you work at home but it does NOT mean that you don't have to have set work hours. Working at home can be a very, very good thing. You can be at home to see the kids off to school and be at home when they get home. You can put a load of laundry in and it can run through the cycles while you are working. You can have dinner cooked before a hungry family descends like a flock of hungry buzzards. All of those things are real perks that you automatically get when you work at home. Working at home can also be a very, very bad thing if you do not plan your time well and if you do not set up a work schedule that you and your family can live with. When you work at home, time really is of the essence. Here's how and where this guide steps in to save the day of Work at Home entrepreneurs and freelancers - whether you're a Work-at-Home Mom, Stay-at-Home Dad or a Happy-to-be-Home Student!
