

How To Ftp

[DOWNLOAD HERE](#)

"HOW TO FTP" is a step by step guide on how to transfer files from your computer to your web site. Using quite a few screen characters to illustrate each step, the guide walks you through the steps of installing FTP software and uploading a file to your web site. Many people here already know how to FTP but there are many new people joining the Internet and wanting to create their first web site and hopefully this How To Guide will help you.
