New Automated Ad Tracking Solution That Sky Rockets Your Profits These are extremely powerful ad tracking scripts. These scripts allow you to run your own service and offer both free and pro account types. The free accounts have limited privileges and create a viral marketing frenzy!! At the same time, free users will quickly out-grow the account limitations and need to upgrade to the pro membership. These scripts were originally designed to be a marketing machine - every tracking link automatically codes the visitor with your users affiliate id. This way they wont mind automatically promoting your system while they use it. The administrator of the system has to power to control the account limitations for the free version, as well as the ability to integrate with payment processors for pro version billing. Key Features Include: Website statistics Referring page stats Split-testing Sales today Split-testing Total sales Unique clicks today Cost per click and Unique clicks today Cost per sale analysis Search Engine keyword stats And much more... In addition to the user features, the admin can email all users, and control all variables from a simple admin interface.
