This is my favourite romance. I cried so much. I love Judith McNaught, she's my favourite author and I have many...but Kathleen E. Woodiwiss wrote my favourite book. I have read this about 7 times. I priced it because of how important it is. If you buy two books I will give you my favourite free about the book.....

The Flower Doomed to a life of unending toil, Heather Simmons fears for her innocence--until a shocking, desperate act forces her to flee. . . and to seek refuge in the arms of a virile and dangerous stranger. The Flame A lusty adventurer married to the sea, Captain Brandon Birmingham courts scorn and peril when he abducts the beautiful fugitive from the tumultuous London dockside. But no power on Earth can compel him to relinquish his exquisite prize. For he is determined to make the sapphire-eyed lovely his woman. . .and to carry her off to far, uncharted realms of sensuous, passionate love.
