The term was originally used to refer to a range of dough-based dishes, and is thought to be derived from pinza. Pizza has become an international food since the toppings can be extensively varied to meet local variations in taste. These pizzas consist of the same basic design but include an exceptionally diverse choice of ingredients, such as anchovies, egg, pineapple, grilled lamb, coconut, sauerkraut, eggplant, lamb, couscous, chicken, fish, and shellfish, meats done in ethnic styles such as Moroccan lamb, kebab or even chicken tikka masala, and non-traditional spices such as curry and Thai sweet chili. Pizzas can also be made without meat for vegetarians, and without cheese for vegans. Breakfast pizzas are topped with ingredients such as scrambled eggs. Many Pizza Recipes to choose from. In its native form, a pizza (occasionally, pizza pie) is an oven-baked, flat, usually circular bread covered with tomato sauce and cheese with optional toppings. The cheese is usually mozzarella or sometimes a mixture of several specialty cheeses. Various other foodstuffs may be added to this design as toppings, most typically: * herbs and seasonings such as basil, oregano, and garlic * vegetables such as bell peppers, asparagus, broccoli, mushrooms, olives, onions * meat, seafood or fish products, sausage, (especially pepperoni or salami), ham, bacon, ground beef, anchovies and shrimp The crust is traditionally plain but may also be seasoned with butter, garlic, or herbs; or stuffed, with cheese, for example. Pizza is normally eaten hot (typically at lunch or dinner), but leftovers are often eaten cold. Take-out and frozen pizza are acceptable quickie dinners when you are up against the clock, but why relegate pizza as a desperation meal? Making your own at home is really not that difficult or time-consuming. With a bit of careful planning of toppings, you also have a balanced meal all in one simple package. Luckily, most kids adore pizza, so you can enlist your children in the process. Learn about the background of pizza before delving into the pizza recipes.
