

Amazing Paper Templates Design - Premium Minisite Templates

[DOWNLOAD HERE](#)

You are going to be getting 7 different unique mini-site templates to fit almost any project you or your clients will need. Each one designed by an industry design leader, and hand crafted to perfection. Using the latest and hottest trends in web design; Paper Realism. Each template in this package is completely unique, and will allow you to get that perfect paper look. These can be used for any niche, and they can be a great marketing tactic! Anything that captures the attention of your prospects will help you get sales, and having a stunning web site design is the key that will set you apart from others in your niche.

Template #1: CleanNoteBook... This is the cleanest looking template in the package. Sporting stunning crisp graphics that will capture the attention of your audience instantly! This template is inspired by a pad of paper, that can be used for any project, or any product. There is no other template packages on the market that has this kind of quality, and design. ----- This template package comes with a .PSD file were you are free to change anything you like. Also comes with an easy to edit .html/.css files were you can simply copy & past your sales copy. Finally, there is a easy to follow tutorial! :) Template #2: Blackboard... If your teaching people anything through info products, software or video training then this template is for you. Inspired by the blackboard, you can edit this to fit your coaching products and services. The realism and design just jumps out of the website. This is the most effective design for any coaching program. ----- This template package comes with a .PSD file were you are free to change anything you like. Also comes with an easy to edit .html/.css files were you can simply copy & past your sales copy. Template #3: NewsPrint... This is the SAME template that I am using for this salesletter. And as you can see each template is highly customizable. This one is for a beautiful newspaper design on the gritty concret ground. With a subtle foot print, and pencil drawing the viewers into your copy. You can use this for news updates, or new launching new products and projects effortlessly!

----- This template package comes with a .PSD file were you are free to change anything you like. Also comes with an easy to edit .html/.css files were you can simply

copy & past your sales copy. Template #4: DirtPaperStyle..
