From: Your Name Here Tuesday 11:06 AM Dear Friend, The Internet is changing every day, literally. One day, you may have a site that is getting tens of thousands of visitors from the Search Engines and the next day it may completely dry up because you triggered a duplicate content filter. This is one of the draw backs of going after search engine traffic. It can be pretty overwhelming when trying to figure out all of the subtleties of the search engines to get into their good graces, if not damn near impossible sometimes. Not to mention have acceptable content at the same time... What can you do to avoid being penalized? You Need To Have Original Content On Your Website That Is Only Available On YOUR Website! Let's face it, if you have content on your website that's on hundreds or thousands of other sites, the search engines aren't going to give that much weight. In fact, if Google's duplicate content filter is triggered, your website risks being completely de-indexed and you'll be down to no traffic over night! That's why you must have original content. Original content pleases your visitor, the search engines and keeps a steady stream of traffic going to your site without the worry of duplicate content filters being triggered. But until now it's always been a laborious task to create loads of content. Not anymore.... Article Content Spinner Creates The Content For You! The simplicity of Article Content Spinner really blew my mind. I was clicking a few buttons and popping out article after article within minutes of using it. I'm convinced! Thanks a million.
