The List Building Power Course "Here's How You Can Build Your Own Responsive Optin-List From Scratch - At Little Or No Cost" SPECIAL BONUS: Includes full Master Resale Rights Sell this ebook yourself and keep all the money! Dear Friend, Whether you are an experienced "real world" marketer or a complete novice hoping to find your fortune - or at least boost your regular income - you will quickly discover the Internet has its own rules. But the number one rule is simple: "This is a business - treat it that way or perish". The List Building Power Course helps you understand what that means for an online business. It details the best ways to find subscribers who not only will buy your product, but will come back for more products in the future . . . and bring their friends with them. Having this guide in hand will dramatically reduce your learning time while setting the stage for more sales and greater success. Here's a quick overview of what this information-packed resource has to offer: From the basics: Why a List? Meet and greet in cyberspace How your list can help create your products The Marketing Plan Why this real-world staple is even more important online How to find a target market Where to find potential customers To the detailed: Less Clients = More Money The money IS in the list, but only if the list wants your product Quality over Quantity The more value you give, the more you receive Creating Your Own List-Building Website How to design your site to capture e-mail addresses How to create excitement How to make it personal How to create a relationship Creating Your Own Product How to turn an old high school pain into serious adult cash How to create a demand - then fill it Using Your Product to Build Bigger Lists How to make it viral Where to find help The author takes his experience - successes and failures - and cuts through the over-hyped smoke and mirrors found in so many "guru" products costing 10 times as much. The List Building Power Course reduces one of the greatest mysteries of Internet marketing to just what you really need to know to succeed. That doesn't take hundreds of pages you'll never read. Just a tightly written guide you will. Full Master Resale Rights Included Free! Your copy of this great ebook comes complete with Master Resale Rights.
