Freelance Mastery: The Complete Guide To Becoming A Successful Freelancer. Follow A Proven Formula To Finding The Highest Paying Online Jobs What would you do if you had a direct connection to a never-ending demand for your services, who were willing to pay you thousands of dollars every week for your help? Thousands of home based workers have carved out a name for themselves in the freelance community, being paid to write, develop, design, consult and offer support to busy marketers and online businesses who are willing to pay top dollar for a reliable and seasoned freelancer. These are people like: Sandra Morris who earns \$20.00 for every single page of content she writes, with orders flooding her inbox 24 hours a day! Ryan Peters who had to take his website down because he was so bombarded with orders for his design services, he just couldn't keep up! Catherine Andrews who has generated over \$19,900.00 in a single month writing ebooks, articles and reports from her home office. Are you ready to claim your spot in one of the highest paying industries online? There are literally thousands of businesses seeking services from people, just like you. Whether you are a writer, designer, programmer OR you are simply good with answering the phone and typing emails, there are countless job opportunities that are now up for grabs! Here are just a few of the many things you will learn: Discover the most valuable sources for finding the highest paying freelance opportunities, and give yourself the unfair advantage of being one of the first to find and secure employment before these jobs are flooded into mainstream forums and databases! This is INVALUABLE information to any freelancer! Learn how to determine whether a company is legitimate and avoid "bad clients" like the plague with these insider tips to dissecting and evaluating any opportunity you are given! (Save TONS of time working only for reputable companies!) Follow a proven formula for placing your services in front of hungry crowds of buyers, and never waste another day submitting your resume online! You simply won't need to! (see page 27) Discover insider techniques to winning the bidding war! If you want to participate in online freelance marketplaces, you NEED this information! (see page 48) Learn what you NEED to know about setting your price structure so that you attract MORE buyers, even when your prices are higher than your competition! And Much, Much More! Tags: mrr
