From: Bargain Hunter Warehouse Date: February 9, 2009 Dear Fellow Dog Lover, If youre like most dog owners I know, you put a lot of time and effort into picking out the perfect dog. Once youve found your dream dog, you wasted no time bringing it home. As you and your dog settle in together, you shower him with love and affection. Then as week after week pass and youve tried everything you could think of, your perfect dog still isnt trained. Did you look at the dog with a glare filled with frustration? Did the dog somehow seem not quite as cute? Boy do I know that feeling! But what if I told you I had something that would revolutionize dog training? You see, I know exactly how much of a struggle training a dog can be. As cute as our dogs are, they sure do know how to make life difficult. We dog owners continue to plug away trying any various remedy tricks, old wives tales and methods that will somehow train our dogs. Actually believing that they will magically make our dog the most well trained and best behaved dog there is. Major wishful thinking on our part, dont you think? Obedience Training... Unlock the Secret! Obedience training is definitely the most important aspect of owning a dog. It helps establish the right relationship between owner and dog. In order to balance the scales in the relationship between dog and owner, there needs to be a clear understanding as to who is the chief and who is the Indian. An owner needs to use obedience training to teach the dog that the owner is not only important to the relationship but also the leader. The dog also needs to be taught that he is the follower in the relationship according to Howard Weinstein. As a dog owner, you need to understand that dogs are

creatures of habit. Our job here is to teach the dog to have the habits we want them to have. We do not want them to have the habits that come naturally to them. So where do you as a dog owner find out how to accomplish all of this, you ask? Well you'll find this information and more in an amazing new dog training audio product called Dog Training Uncovered! Stay with me, and I'll explain exactly why this training audio will change both you and your dog's life. Housebreaking -- The Initial Rite of Passage!
