Micro-membership Plug-in - Wordpress

[DOWNLOAD HERE](#)

Turn Your Word Press Blog Into A Money Grabbing Membership Site. Micro-Membership fully automates your membership system from the user registration to confirmation of payment and account activation. Micro-Membership integrates with the subscription and notification services of both PayPal and ClickBank to fully automate the subscription billing and payment process. Micro-Membership generates the required PayPal or ClickBank Subscribe buttons on the fly, so you dont need to add or change any WordPress code.
