Affiliate Cloak Pro Message - Take Matchless Attachments Concerning Affiliate Cloak Pro. Experience Cheapest Instant Catch To Affiliate Cloak Pro Sources. Acquire Impressing Warm Outcomes On Affiliate Cloak Pro. Dear Affiliate Marketer, There is a large amount of marketers out there right now stealing your product commissions! Many are losing thousands everyday to these link stealers and this tool is the one guaranteed method to protect yourself from this financial theft. Being able to send a customer to a webpage, without the actual visible URL changing, had proved to to be an incredibly effective way of making extra sales, and finally there is a tool out there that is completely and easily giving anyone the power to use this amazing method. Affiliate Cloak Pro is created to help you protect your commissions and stop affiliate link hijacking and affiliate link bypassing. * Link Hijack is when a visitor replaces your affiliate id with their own affiliate id before they order. * Link Bypassing is when a visitor remove your affiliate link they might know you earn if they purchase and dont want you to receive commisions. If your link is product.com/?&aff_id=1234 they just remove /?&aff_id=1234 before order. Affiliate Cloak Pro help you to avoid those pitfalls. And its very easy to use, doesnt require any html skills, scripts to install or programming knowledge. Its a sad truth but anyone can steal your hard earned affiliate commission just by removing a few characters in your affiliate links. Also those 30+ characters long and ugly affiliate links really sucks and Can results in a MASSIVE loss in Your affiliate commissions. We have Awesome News for you Our amazing Link Cloaker Pro software allows you to cloak your affiliate links with style. And its FREE! Why buy other similar software with less functions for $67 or more? What can Affiliate Cloak Pro do for you? * Triple your sales with this AMAZING software! * Simple and advanced link cloak functions * Build trust between you and your buyer * And much more
