Total Youtube Domination PRIVATE LABEL RIGHTS Total YouTube Domination teaches you in an easy to follow fashion... How To Get A Totally Unfair Advantage At YouTube!!!! It's a 37 minute audio in which Mike Williams reveals ways that I would have never thought of for getting MASSIVE traffic to your websites, videos, etc., from YouTube. Did you know that many YouTube videos get more views than the Super Bowl Mike teaches that while you "could" create a unique viral video that gets hundreds of thousands, perhaps MILLIONS of views, it much easier to get traffic from OTHER PEOPLE'S winning viral videos! He teaches you how to get tons of views to even the most boring videos :-) He reveals how to methodically rank for the top keywords in your niche... and find people searching for those keywords on YouTube and get in front of them... redirecting them to your pet projects! It's all about understanding YouTube user behavior and taking advantage of that behavior. Mike packs a LOT of content in the 37-minute MP3... things like.... How to get people to go where YOU want them to go after they finish your video (instead of clicking on "related videos"). This information could easily sell for \$47. In fact, since you get Master Resale Rights and Private Label Rights, you COULD resell it for that amount.
