You may alter it anyway you choose. Read about many of the ways you can pull in a cost-effective income with these top quality article content... 1. Assemble a content website and set your Google AdSense code into your pages for hands-free AdSense cash. 2. Use the articles to draw unique subscribers and clients to opt-in to your list after which use more of the articles to follow-up with these individuals and then sell them. 3. Generate top quality mini information products that you can plug affiliate links into to earn big time affiliate income. 4. Load up your content articles on your own autoresponder to go out once a week and have a newsletter set for a year in advance. 5. Put some sort of eCourse to your products as a bonus that goes out each week! This will significantly lessen refunds given that they want the remainder of the quality eCourse that is carrying on past the refund deadline! 6. Give several of the article content as a meaty report that your prospects can give away to showcase your site. You may also brand it using their links so that they help to make affiliate income! 7. Organise the articles into a total fledged paid product then sell it for big bucks! 8. Send the articles under your name to every one of the article directories you can get your hands on and get hoards of traffic, hyperlinks to your website, and higher search engine ranking. \_\_\_\_\_
