Can love tame a jaguar god? A Hunting Love story. A good tromp through the jungle fending off giant bugs and hunting for long-lost ruins in South America is exactly Meg's idea of a great vacation. She takes the sudden appearance of a wounded jaguar in stride, thinking it'll make an interesting story. But when she wakes up to find a man in place of a cat, she wonders who's going to believe it! Santiago has learned the hard way that he and human women just don't mix. When you can change into an animal at will, it tends to upset people. But despite his best intentions, he finds himself falling hard for the little blonde who saved his life. It'll take a leap of faith-and of love. Or this treasure will slip through his fingers. Warning: This work contains graphic m/f sex, bad language, and terrible humor.
