She'll do whatever it takes to get to the top of the professor's learning curve. Katrina Keens has discovered the man she longs for, Professor Derek Jacobson, is a Dom. Though BDSM is something she's never tried, the idea of submitting to Derek is darkly arousing. All she needs is one chance to slip past the strict student-professor boundary he has been unwilling to breach. And now that opportunity has come, a way to show Derek that she can be the woman he needs. Without waiting for his permission. Unaware of her identity at a masked sex party, he offers Katrina everything she's dreamed of to be her master for the night, teasing her with a promise of intensely arousing discipline and praise. Only Derek is a demanding master. Learning to serve his needs is a ruthless lesson in pleasure she won't soon forget.
