Here is the most common: Q.I have tried other PDF creators before and all they could do was create ugly looking text files. What makes this Easy PDF Maker different? A. Well, I know what you mean. We designed Easy PDF Maker so you can easily and quickly create STUNNING reports and e-books Its easy as pie to insert... * images * footers * page breaks * page numbers * text frames This seems so simple...just consider how much time you will save creating PDF files and how much more you will make when you have your own eBooks and reports, is it worth to you if my system simply {did what it was supposed to do}? You see, my system contains absolutely everything you need to start creating PDFs and EXPLODE your income, almost overnight. Just about everything is already done for you. Okay, So How Much Does All Of This Cost? Well, realize that Easy PDF Maker could easily sell for \$67.00 In fact, if you asked a professional writer to produce an original e-book for you, youd be charged in the neighborhood of \$175.00 to \$650.00, and that does not include formatting. And what if you need a rewrite or change a link. You would have to pay through the nose to get a rush job done Heck, I know one writer currently charges a minimum of \$75.00 just for an email or a review. So at bare bones minimum you are getting the tools you need to scoop up thousands and thousands of dollars in extra profits at your fingertips. Look, there is no need to buy expensive software. Everything is ready for you, ready to go, and so easy a ten year old kid could create professional e-books Now maybe you think this whole thing will cost you a fortune...but listen to this: Your entire investment in this entire system is only \$1.99!
