

Aweber Unleashed : 15 Videos

[DOWNLOAD HERE](#)

You're About To Discover 15 "Super power Tactics" For Managing Your Most Valuable Asset in Internet Marketing! Every person who makes a living online will tell you that when It comes to making money in internet marketing your greatest asset is YOUR LIST! But almost as valuable as your list is YOUR TIME! That's why I was thrilled this week when I added 356 people to one list, 274 to another, transferred 8 from one list to another, and sent 4 emails to a combined 3,125 people all in one day without ever logging into my Aweber account! You see, Aweber is the undisputed, most powerful auto responder available to serious marketers. Yet most who pay their monthly fee for this service either let their account sit and collect "Virtual Dust" (thinking that some day it will magically spring into action and build a massive list for them) or they use only the very basic services and never take full advantage of this simple yet incredibly powerful tool! So I have put together a series of 15 detailed videos that will show you how to UNLEASH the full abilities of Aweber! 1- Creating Lists! And all the tips and tricks you need to do at the start to save you lots of TIME down the road 2- Creating Forms 1 All the tips and tricks you will need to create your own opt-in forms. 3- Creating Forms 2 Too much info to cover in one video so I had to add another! 4- Verified Opt-ins Lots of information including a HUGE time saver! Then Move to the fun stuff... 5- Broadcast Messages Time to send out your message to everyone! Some real "Gotcha's" here to watch out for! 6- Follow Up Messages Your automated follow-up system! Set it up wrong and you will have problems! 7- List Organization The method I use in organizing my many lists! Then I share about the POWER of Aweber! 8- List Automation How to set up Aweber to do most of the adding and deleting from different lists automatically! 9- Sending To Multiple Lists Don't you HATE getting the same message over and over again from a marketer? Here's how to avoid doing that yourself! 10- Click Tracking How do you know if your marketing is effective? Here's how! 11- Split Tracking Which subject line, ad, or email got the best results? Here's how to set it up! 12- Blog Broadcasting Imagine each blog entry you make automatically gets sent to your list. Here's how! 13- Campaign Sharing Want to copy all of your follow up emails to another list of yours or to someone else? Here's how! 14- Other Notes I was sure to forget a couple of things. So here they are! 15- BONUS: ANALYTICS Since I made the original set of videos,

Aweber has released their NEW analytics features I cover the basics of these new features! Get access to this set of fantastic tutorial videos NOW! (Beware the download can be long depending on the speed of your Internet connection) _____ Please visit my e-store for more amazing deals. Thank you. Go to : e-store.tradebit.com
