From: Your Name Here Tuesday 11:06 AM Dear Friend, The Internet is changing every day, literally. One day, you may have a site that is getting tens of thousands of visitors from the Search Engines and the next day it may completely dry up because you triggered a duplicate content filter. This is one of the draw backs of going after search engine traffic. It can be pretty overwhelming when trying to figure out all of the subtleties of the search engines to get into their good graces, if not damn near impossible sometimes. Not to mention have acceptable content at the same time... What can you do to avoid being penalized? You Need To Have Original Content On Your Website That Is Only Available On YOUR Website! Let's face it, if you have content on your website that's on hundreds or thousands of other sites, the search engines aren't going give that much weight. In fact, if Google's duplicate content filter is triggered, your website risks being completely de-indexed and you'll be down to no traffic over night! That's why you must have original content. Original content pleases your visitor, the search engines and keeps a steady stream of traffic going to your site without the worry of duplicate content filters being triggered. But until now it's always been a laborious task to create loads of content. Not anymore.... Article Content Spinner Creates The Content For You! The simplicity of Article Content Spinner really blew my mind. I was clicking a few buttons and popping out article after article within minutes of using it. I'm convinced! Thanks a million. Len Master, Bend, Oregon Article Content Spinner is flat out the easiest content changing system on the market. It's truly, point and click. Creating professional, thought provoking content has never been so easy or enjoyable to put together. There's a sense of pride that comes with providing quality content to your Internet visitors while snagging loads of Search Engine traffic in the process. In a world of

auto-generated, garbage sites that offer absolutely nothing of value to the visitor, the search engine or the real world, it's easy to stand out if you have some original content which Article Content Spinner is going to create for you! Here are just a few of the smoking hot features you'll get access to... Simple As Pie Interface- You won't be wondering what to do or how to use this system because it's so easily laid out that a 10 year old could use it. True Point & Click Content Creation - It couldn't get any easier. You simply load an article and it gives you a bunch of options for customizing and personalizing the article at the click of a button! Never Worry About Duplicate Content Again! - You'll never have to worry about being penalized for duplicate content again because Article Content Spinner is going to create loads of unique, original content for you to serve up to the search engines. One of my sites was de-indexed by Google so I figured I'd give Article Content Spinner a try and boy am I glad I did. I pumped out right under 200 articles in about an hour and put them up on my site the same day. I've been getting traffic steadily for 2 months with no more duplicate content problems! Bill Rhodes, Wisconsin Readable, Well Flowing Articles And Content - Unlike many other content spinning programs, Article Content Spinner creates beautiful flowing content that is a pleasure for your visitor to read! The others create a mixed up mess that rarely makes sense. Extreme Control - You approve or deny each change that is made to your articles to make sure that they make sense and are readable to the search engines and your visitors. This is done without any typing! Create Articles Super Fast- You can spin an article in just a few seconds and a couple of clicks and you'll have an original piece of content ready to serve to search engines and visitors. You can pump out hundreds of articles in this amazing software in under an hour! Versatile Options - You can load your content from a text file, a website URL or just copy and paste it into the system so you can be sure that it will work on any of your content customization projects. The interface is so simple to use! I was able to generate 35 original articles in about 15 minutes and created an AdSense site that is pulling in over \$400 a month on auto pilot!
