

Solarpay Payment Processor Script

[DOWNLOAD HERE](#)

How would you like to own your very own payment processing website and business built with security-minded programming? The Software that allows you to own and operate your very own paypal, stormpay type of website and you make a percentage of each transaction that takes place on your site , Just like the Big Boys! Best software on the market that actually does what its suppose to ...MAKE YOU MONEY!, possible. Everyone who buys the script from us on our website will get all future upgrades and enhancements. This Software is a software that is very much like paypal and stormpay.com. This Software has many of the functions that paypal and stormpay have, and is designed to make its owner money. This is fully automated when installed on your website leaving you with very little work to do. The dynamic website software has been programmed to do most everything automatically, from helping customers instantly recover lost passwords to sending receipts to customers after they have made a purchase for their records.
