Master Resell Rights Included Would you like to GET PAID to write a book? If you're thinking this is plain fantasy, think again. All professional writers get paid to write their books. How? They sell their books via proposals before they write the books. What's a book proposal? A book proposal is a document which convinces a publisher to buy your book before you've written it. Your proposal says, in effect: "Hey, I've got a great idea for a book which lots of people will want to buy. Do you want to publish it?" Think of it as a combination brochure and outline of your proposed book. You CAN sell your book the easy way --- sell a proposal It's easily possible to make a fast \$10,000, or even a six figure amount. You could even make seven figures --- over a million dollars for twenty pages of text. It sounds incredible, but a fast seven figures is certainly possible if you have a HOT, hot idea or have had an experience that hundreds of thousands of people want to read about. In his 2001 book about writing nonfiction, *Damn! Why Didn't I Write That?*, author Marc McCutcheon says that it's not hard to make a good income writing nonfiction: "you can learn the trade and begin making a respectable income much faster than most people think possible". Do you need experience to sell a book on proposal? No! You just need a good proposal. :-)

7 Days To Easy-Money: Get Paid To Write A Book by Angela Booth shows you how to go from idea to completed book proposal in seven short days. Imagine --- in seven days, you could be sending your proposal to agents and editors! The ebook includes everything you need to know. Just follow the easy steps. It even includes a sample proposal, which got a contract from an agent immediately it was sent out. You can do it too! Tags: 7 days to easy money - get paid to write a book
