Are you wondering if you are doing something wrong on Twitter? Are you struggling to build a list? Do you have a huge list of followers already, but you are beginning to wonder why? Do not Work At Twitter - Make Twitter Work For You! If you are getting sick of people saying how they made thousands of dollars off of a single tweet but for you Twitter is just a way to spend time instead of making money, perhaps you are missing something. There are over a million people on Twitter and even if every person on Twitter only made something like 16,500 dollars a year then that would be a potential of, let us see, 16,500 times one million carry the one equals... Oh come on! You do the math! The plain truth is this: Twitter has a lot of real people logging on everyday and all of those real people have lots and lots of real money. And real people like spending real money, it is true! I do not know why, it is a power thing, I guess. All you need to do is learn how to ask them for it properly. Twitter May Be The Most Powerful Tool In The Shed But Now Let Us Make It The Sharpest! This is a new publication, just put together that explains in no nonsense terms how to get real quality people to follow you on Twitter, how to earn their trust and how to build a real lasting customer relationship with them that could potentially explode your bottom line. Check it out. If you have wanted more out of Twitter, this is the piece of the puzzle you are missing, this is the silver bullet you have been looking for.
