Refurbish any Lead Acid Batteries...R1 SICK OF BUYING NEW BATTERIES FOR YOUR GOLF CART ME TOO!!!! Read end of auction for delivery details. Auction is for information and procedure only. If the batteries plates are not rusted and/or shorted then this works . If it does not then I offer a money back guarantee (less ebay and paypal fees) You may see several of these formula auctions on Ebay. All are similiar ingredients. I offer money back guarantee (less ebay and paypal fee) and I offer support via email. I have worked on Golf Cars for years and understand the Electronics including the controller and wiring which could also be causing poor performance. I have helped many with discussions on testing and analyzing what the problems may be. I also have contacts at several EZ-GO dealerships that I can help supply other parts. This is the advantage of working with me vs. the others. Heres what other buyers have said: "Thanks for the info on the batteries etc..I did the process two days ago and it seems that the batteries are charging fine..Much better than before.." "I am impressed,Granted it took me a couple days to complete the process. However,the batteries went back in the golf cart and it Ran, It was the first time running the cart since I bought it with bad batteries and didn't know if it would run or not..Happy Camper" " Cant believe how good this worked..Thanks for saving me \$400 at least..." "Easy and it worked..thanks Rich" I HAVE DONE THIS MANY TIMES AND IT IS A GREAT WAY TO SAVE MONEY ! DONT WASTE YOUR MONEY ON A NEW BATTERY FOR A CAR, BOAT, OR GOLF CART . THE REFURBISHING PROCESS IS SIMPLE TO DO. What have you got to lose. Worth trying before you spend hundreds replacing your batteries. Information and Procedure will be Emailed immediately upon payment to your paypal email address. I can also mail a hard copy if needed.
