

# Ibsen - A Dolls House - Drama Script, Stage Play

Henrik Ibsen was a man before his time. His powerful plays brought to audiences important social issues with his strong, compelling dramas. Times may have changed but Ibsen's plays still spell-bind audiences the world over. Ibsen's A Doll House is considered a classic and is a popular choice for performance particularly by amateur groups - it requires no royalties and is a consistent crowd pleaser. And of course, there is the pivotal role of Nora - an exciting challenge for any dramatic actress. Nora - who goes from child-woman to strong and independent through a series of events that she sets in motion through an act of love. Living the life of a spoilt child, Nora is indulged by her husband who treats her like an adorable little girl rather than as an adult. Her flirting and playing hides her secret - she had forged her now deceased father's signature in order to borrow money to save her husband's life. And now, the secret threatens to blow her world apart and she is in danger of losing everything - her home, her husband and her children. " ...enjoyable and thought-provoking ... Ibsen explores traditional gender roles as they relate to authentic human identity and authentic relationships." Jone Johnson Lewis, about.com "Classical in structure ... revolutionary in tone." Michael Nunn, Lancaster University, lancs.ac.uk "A Doll's House is an intense and compelling journey through the human spirit and well worth the trip." Elyse Sommer, CurtainUp This version has been laid out with plenty of space for performance notes. The great thing is that you will receive as a download - buy it once for a low, low cost, get it quick and print it as many times as you want. The only restrictions are that you cannot sell it in this format either in hard copy or electronically. This would be suitable as a study text in high school or drama / acting school or for performance at an amateur or professional level. This will be delivered to you as an e-book in PDF format. This is compatible with most operating systems - all you need is the free Adobe Acrobat Reader. Your download details will be e-mailed to you once your payment has been cleared - almost instantly if you are paying using PayPal. The download is fairly small - approximately 350 kb - which would take less than 2 minutes to download even over a slow-ish dial-up connection.
