Welcome To 2dollar Store all our products comes with Resale Rights.Buy from here and sell it anywhere and make big profits or you can use it for your Personal Use. Product Details--- Content Scrubber" is a simple to use desktop application that allows you test your messages for words and phrases that might trigger the spam filters, before you send it out. Can you imagine sending a message to your list, only to find out that over 70 of them never got it? If you're using common spam triggers in your messages, this could easily happen to you. The content of your messages is one of the major factors that plays a role in email delivery. What this means is that including just a few of the wrong words in your message could cause your delivery rates take a nose dive ... even if you're sending to a 100 double-optin list! If you test your messages with "Content Scrubber", before you send them out to your list, there's a much better chance that your email is actually going to get where you want it to go. Easy to install and runs right on the desktop of your Windows based computer. Product Righst---Master Resale Rights Retail Value ---$47 To Your Great Sucess Singh our store 2dollarstore.tradebit.com
