Product Details-- Increase Your Online Sales... Maximise Your Newsletter Subscribers... and Triple Your Affiliate Link Clicks Instantly! "Magic Button - The Lazy Man's Way To Internet Marketing Success" Dear Internet Marketer, I have absolutely no idea about what you're selling or promoting online. . . . It could be ebooks, software programs, memberships, your newsletter or an affiliate program. Whatever it is I will guarantee you one thing. If you use Magic Button software on your site you'll sell more of it, you'll get more clickthroughs and you'll generate more sign ups than you've ever done before. Would you like the power to practically force your web site's visitors into clicking the links or visiting the pages you wanted them to. Can you imagine just how much additional revenue you could generate? Getting clickthroughs to the links that matter is what every web site owner wants needs to generate income online. Well That Power is Yours! With Magic Button you can wield that power in just three mouse clicks. Okay right now you may be wondering what the heck's a Magic Button and what does Magic Button software actually do. Magic Button allows you to generate highly customisable, attention grabbing and unblockable links. Text or images or both - you choose. . . . You can see an example on this page promoting my newsletter. It hasn't been blocked like a PopUp and it's not 'In Yer Face' annoying like on of those floating ads. (Don't you just close them down anyway?) ++ reseller ad your own created code to this page to send people to your newsletter - the original example code has been removed. The Magic Button simply follows you down the page, but you can make them move, you can change the position on the screen and you can use different images in a whole range of different sizes. The more eye catching, hypnotic, tempting your offer (however you want to call it) the more it'll be clicked. You can use it for absolutely any link you like - what if I was to make this an order link - The moment a prospect had got to the point in my sales copy and is ready to order - the order now button is at hand. Here are just a few of the many successful uses for Magic Button: If you promote an affiliate program you need people to click your links and visit the affiliate site so that you earn commissions. If you run a newsletter or eZine you need people to sign up for it and preferably with their

primary email address. If you offer free ebooks or ecourses you need visitors to download them. If you sell your own products your aim is to get people to click through to your 'order' page the moment they're sold on your product. It goes without saying - to do any of these things requires some level of experience. You need a good presentation, your web site must look professional, you need enticing sales copy and you must command action. . . . But what if you could achieve similar results in just three or four mouse clicks? Once you own Magic Button, you'll have the ability to get visitors clicking the links you want them to - when you want them to. Because you'll have the power to convert your traffic far better you'll be spending less time doing the tasks you hate and more time concentrating on your business and your products. Just picture yourself not having to spend hours each week buried in search engine promotion, traffic exchanges, and banner advertising. You'll can be making more money because you'll be spending less time driving traffic to your web site in the hope that out of the thousands coming only 0.01 actually buy anything from your affiliate links. Magic Button makes this easy. Maybe you sell a niche product and there simply aren't thousands of people you can target. You need to ensure that you gain maximum value from every visitor Maybe you promote a high profile affiliate product along with hundreds of others - You need visitors to click YOUR link and not your competitors. (Note: Magic Button also cloaks your affiliate links automatically!) The simple truth is - to give your business an immediate boost you must convert the traffic you're getting now better! And That's What Magic Button Does! It doesn't matter what you sell. It doesn't matter who your customers are. And it doesn't matter what the key purpose of your site is. If you want to: Sell More Products. Generate More Downloads of Your Reports and Ebooks. Generate More Subscribers to Your Newsletter. Generate Clickthroughs to Your Affiliate Promotions. Ensure Visitors Contact You for Additional Information.
