Instantly allow customers to access their information products purchase through a safe channel that is fully automated! Never Has A Lite Version of this Software been available for such a low price! You pay nothing to harness The Power Of Automated Digital Delivery To Deliver Your eBooks and Software INSTANTLY and SECURELY While You Sleep! Think about this: Are you being ripped off daily by link sharers? Are you depressed at the thought of emailing your eBooks and software? Are you tired of customers complaining they haven't received their purchases? Are you struggling because you don't have enough time to start new projects? Are you failing because you're finding it difficult to build your mailing list? Are you not using the power of a system of automated digital delivery? Well that's all about to change... FOR GOOD! This is how SmartDD LITE automated digital delivery works, in a nutshell. 1. You receive a payment from a customer via PayPal. 2. PayPal sends the details to SmartDD LITE. 3. SmartDD LITE sends an email to your customer with a UNIQUE link to the download page. 4. Your customer goes to the download page and downloads their purchase by clicking on another UNIQUE link. 5. After they've downloaded, the link expires. It's as simple as that. SmartDD LITE has now completed its automated digital delivery on your behalf. Once you've set your product up, you don't have to lift a finger! It's simple to use, it's simple to install and it will simply save you a fortune. It actually goes a little further than that... Because 24 hours after the purchase, it will also send out a personalised follow-up email to your customer! This can be... An upsell, cross-sell, one time offer, affiliate link, anything you choose!
