You know the ones I mean where you sign up for a subscription so you can read the really good stuff, or download new software every month with resell rights... Money just pours into those sites, doesn't it? But it costs \$1,500 or more for the script to run a site like that, right? Everyone knows that's ever looked into it that it's very expensive to get started with a real membership web site of your own. NOT ANY MORE! I've got good news there's a brand new resource available just for people who want to quickly and easily manage a subscription site without spending a fortune to do it. Yes, it's true and you won't believe how simple it really is to manage a site once you've got the right tools affordable tools, I might add. It's All Possible And Inexpensive With A Hot New Script Called Ez Membership System Sounds too good to be true? Well, it isn't if you have the right tools. Think about it. And lots more This is the first time this incredible script has been offered and I cannot promise how much longer I'll be able to keep this out there at the price I am about to offer you. There are too many people who would prefer I never offered such a low-cost way to manage membership sites, I'm sure you can imagine those \$1,500 dollar membership script service providers are not too happy with me right now! One whose name I will not mention even offered me a pretty large sum of money to stop selling this script immediately! With over 3

months of my time into creating this incredible I had to decline their offer... If you take time to think it over this offer may not be around tomorrow. Okay, So How Much Am I Charging For A Tool That Can Automatically bring you a massive recurring income month after month? Well, first lets look at what it would cost you to have your member site hosted at most of the "other" member script solution sites... Those guys get, \$1,500 and up.. But Im not going to charge you anywhere near \$1,500, or even \$1,000. but only \$0.65 Why so cheap? I have my reasons. For one thing, one of those big membership script sites told me I could never compete with them... we'll we will see about that won't we! Secondly If I sell a certain number of Ez Membership System software cheap enough, then people will talk. Heres the thing, though: once the buzz hits, I will be in a great position to raise the price to make some profit. When will I raise the price? Depends. It could be tonight, it could be next week. ----- for more cheap price digital product visit my store andrykesuma.tradebit.com/
