

Cloaker Shadow

[DOWNLOAD HERE](#)

Affiliate Marketing is HOT! Cloaker Shadow is not another cheap and crappy cloaking software that you can find everywhere! It allows you to cloak your links in the stealthiest manner you can think of. Here's what Cloaker Shadow can help you to do: Hide your ugly affiliate links and boost your click through rate by at least 200% Protect your affiliate links and keep your hard earned commissions from being stolen from the nasty affiliate thieves Redirect your cloaked links to any site of your choice so that others won't even notice it's an affiliate link (and you still credited for your commissions!) Give you the ability to bypass merchant's squeeze pages and send your prospects directly to their sales pages or even the order page Provide you the luxury of linking to even your own sale pages that you've created or other marketing materials in the event your merchants' sales pages are of inferior quality Skyrocket your affiliate commissions and elevate you to the super affiliates status! Basic Resell Rights And Full Giveaway Rights Included! Tags: php
