Let's get right to it..... To make more money from your website, you need to increase conversions on the traffic you are already getting. You need your salespage to sell more copies, and you need your visitors to spend more money with you. The "Sales Trigger Generator" Does Exactly That! As a matter of fact, you're already witnessing it in action! Look at this: Only XX Copies Remain! This is the FIRST HIT of the 1-2-3 Punch that Sales Trigger Generator delivers. This is NOT a "ploy", these are the ACTUAL copies remaining before this offer is gone FOREVER. (See Live Counter up Top) Showing your visitor the copies remaining does two things for you. First, the falling number provides a sense of urgency for your prospect, and the lower it goes, the more it works.... Another advantage is it provides what is known as "social proof" that others are buying this product too - "so it must be great!" We are instinctive creatures, and when we see others doing something, we have more confidence in our decision to do it too. The SECOND BLOW is that the user cannot leave the page, come back later and still get your reduced price! When the user refreshes the salespage, or leaves and comes back later, they will automatically be redirected to your "page 2 offer". This page will have another offer for the visitor, only at a higher price. (Just as we've done for this very page!) You will make more money by TURNING PEOPLE AWAY from your discount offer when they don't take advantage within your time limit, or if they don't order right away! THE KNOCKOUT PUNCH = The Time Limit! Order in The Next XX Minutes, & Get The SOURCECODE and Private Label Rights to This Powerful Tool for Less Than \$100! Now, this isn't like the commercials on TV that say "Order in The Next 10 minutes and get everything under the sun as an added bonus for FREE!" We all know that they are just using another ploy, and that we can call the 800# THREE WEEKS from now, and STILL get the same deal, same price, same bonus. NOT TRUE When You Use Sales Trigger Generator! Now when you give your visitors a countdown, YOU MEAN IT! As an example, I've already told you that you are witnessing our software in action before your very eyes, and when this timer above expires, you will have to pay 2X as much for this very same software! NO SECOND CHANCES! Why are we doing this? SCARCITY. We want the owners of this product to have a valuable tool that not everyone is using - yet. We know that THOUSANDS want this powerful tool, but we are only releasing

250 PLR copies - EVER. We know that since we are releasing only 250 copies, they will all sell out, so the more we can sell each copy for, the more money we will make! See how this works yet? Also, when I told you NOT to refresh this page, I wasn't kidding! Some of you know this first hand, because now you are stuck on page 2, and will be emailing me asking if you can still order for the lower price, telling me how your browser froze, your spouse called you to dinner, you had to let the dog out...etc.... I won't be responding to ANY of those emails, so please don't write. Everyone has an equal shot at getting a copy here, so we play fair. (Sorry I warned you!) It's to YOUR advantage (and your customer's when they visit YOUR offers) to secure your copy before the timer expires. Luckily we gave you plenty of time right? ;-)

With that being said, when you click the order button you will gain access to this powerful script that comes with Unrestricted Private Label Rights! * * THE "PRIVATE LABEL RIGHTS" PACKAGE IS OPTIONAL - THERE IS ALSO A "PERSONAL USE" COPY AVAILABLE BELOW. That's right. UNRESTRICTED RIGHTS, which means you can do anything you want with it! The Private Label Rights Package Includes: Your Own Copy of Sales Trigger Generator! Unlimited Domain Licence! Full UNRESTRICTED Private Label Rights to Sales Trigger Generator, to use ANY way you wish! Copy of This Salespage! Graphics and .PSD Files for Easy Editing! Unencrypted Sourcecode and Full Sourcecode Rights to Add, Subtract, or Edit ANY Way You Want! So, What Can You Do With This Package? Sell the private label rights to others. Sell master rights. Rebrand it to sell under a different name. Rebrand it and sell it as a turnkey solution.
