Do you feel that you lack confidence? Would you like to be in better physical shape? What if I told you that you could do all of that in one fell swoop - interested? Going through life worried about money can drag you down. And it doesn't do your confidence level much good, either. Why go through life like this when you can be happy, confident and in good shape? I can teach you how you can make good money doing something that you will love and everyone else will want to learn. And you can make your own hours, be your own boss and run your business any way that you want! There is no such thing as luck in life. It is all about confidence and knowing how to do something that others will want to learn. Once you are confident in your abilities, you can teach others and the checks will start rolling in. And I can teach you how in this book. I was just like you a few years ago. I was a young mother, divorced, and struggling to make ends meet. Then I met someone who changed my life and before I knew it, I was the owner of a successful business. I vowed that if I ever made it, I would show others how to find their way so that no woman ever need feel helpless again. I used to blame everything on bad luck. Bad luck was responsible for my husband leaving me. For me not having an education. For me being unable to find a job that supported our family. But then I found that it wasn't luck, but confidence. And once I learned a skill taught to me by a good friend, I not only taught others, but gained confidence and even ended up getting into good physical shape. Teaching pole dancing really changed my life in more ways than one. I Made \$4K A Week Teaching Pole Dancing And So Can You! Believe me, if I can do this, anyone can. No, this isn't stripping or even remotely anything like it. Pole dancing is the latest craze but is now becoming a party event. Pole dancing is what strippers do in clubs, but it is much more than the art of the striptease. It is all about exercise and empowerment. It is about gaining confidence in yourself as a person and in your body. I do not have a great body, am not that attractive and can't dance worth a darn. But I was able to learn not only to pole dance, but to teach others the same skills. And it was so much fun that I actually made a business

out of it. Now I am finally able to give you all of my business secrets. Not only will you learn the steps you need to learn when teaching pole dancing, but this book will also teach you everything you need to know about teaching these classes, including where to get the supplies, how to teach the class, how to get others to teach for you, where to advertise, liability factors and much more! Everything you ever wanted to know about teaching pole dancing is right here in one e-book. Even a tried and true marketing plan on how to run your business.
