I personally use this software on a daily basis to make my affiliate dollars online, Clickbank Products, CPA Dating and Pay Day Loans are perfect for this little tool, I also have customers who just use it to promote their Blogs or Product Sales sites, and also for Cookie Stuffing, With ebay and many other Affiliate Cookies. The bottom line is whatever way you look at it, you'll be saving a packet on Google Adword Campaigns by investing Just \$25 in this most useful little program. Please note: A proxy tool will be needed to register these vouchers as well as separate email address for each voucher you register. A proxy tool like Tor for Firefox is perfect. and the email address's are available free all over the Net.
