Now You Can Easily Turn Any Content You Have Into A Brand New Original Article With This Simple To Use Push Button Software That Even A Child Can Operate!" You Need To Have Original Content On Your Website That Is Only Available On YOUR Website! Let's face it, if you have content on your website that's on hundreds or thousands of other sites, the search engines aren't going give that much weight. In fact, if Google's duplicate content filter is triggered, your website risks being completely de-indexed and you'll be down to no traffic over night! That's why you must have original content. Original content pleases your visitor, the search engines and keeps a steady stream of traffic going to your site without the worry of duplicate content filters being triggered. But until now it's always been a laborious task to create loads of content. Not anymore... "Duplicate Content Detonator" Creates The Content For You! "Duplicate Content Detonator" is flat out the easiest content changing system on the market. It's truly, point and click. Creating professional, thought provoking content has never been so easy or enjoyable to put together. There's a sense of pride that comes with providing quality content to your Internet visitors while snagging loads of Search Engine traffic in the process. In a world of auto-generated, garbage sites that offer absolutely nothing of value to the visitor, the search engine or the real world, it's easy to stand out if you have some original content which "Duplicate Content Detonator" is going to create for you! Here are just a few of the smoking hot features you'll get access to... Simple As Pie Interface - You won't be wondering what to do or how to use this system because it's so easily laid out that a 10 year old could use it. True Point & Click Content Creation - It couldn't get any easier. You simply load an article and it gives you a bunch of options for customizing and personalizing the article at the click of a button! Never Worry About Duplicate Content Again! - You'll never have to worry about being penalized for duplicate content again because Article Content Spinner is going to create loads of unique, original content for you to serve up to the search engines. Readable, Well Flowing Articles And Content - Unlike many other content spinning programs, Article Content Spinner creates beautiful flowing content that is a pleasure for your visitor to read! The others create a mixed up mess that rarely makes sense. Extreme Control - You approve or deny each change that is made to your articles to make sure that they make sense and are

readable to the search engines and your visitors. This is done without any typing! Create Articles Super Fast- You can spin an article in just a few seconds and a couple of clicks and you'll have an original piece of content ready to serve to search engines and visitors. You can pump out hundreds of articles in this amazing software in under an hour! Versatile Options - You can load your content from a text file, a website URL or just copy and paste it into the system so you can be sure that it will work on any of your content customization projects. You have the power to create as much original content as you need with this revolutionary new piece of software. The search engines will love you, your visitors will love you and, most importantly, you're going to love the extra income all of this original content is going to bring you. I know you don't want to worry about getting de-indexed by the search engines. Can you imagine what it would feel like to have a several hundred page website de-indexed or banned? All that hard work goes right down the drain! "Duplicate Content Detonator" eliminates that fear for life. Getting in the high graces of the search engines and your visitors has never been so easy! You need to jump on the opportunity to be a "quality content" provider and give the search engines something of value that they can share with their searchers. This will make them LOVE sending you thousands of visitors because their searchers will LOVE using their search engine for all of their searching needs. That makes sense, doesn't it? You provide quality content for the search engines and their searchers and you get loads of traffic... Duplicate Content Detonator MRR Included.
