Dear Webmaster, Please excuse my audacity, but I'm willing to bet that your solo ads can be a whole lot more profitable than they are right now. It would mean a lot to me if you could close your office door to avoid interruptions for the next 10 minutes so that I may have the opportunity to tell you about an exciting new software product to hit the Market... Have you ever wondered how some webmasters just seem to have the knack for writing killer eMail ads? Well if you've ever wished for better ad copy and a Cheap way to obtain it, then you'll be interested in this hot new software tool package! So how are your solo ads looking? Are they producing results? Look Let's face it, the solo ad is the most responsive form of eMail advertising you could employ....but only if they are formulated correctly. There is a science to the formulation of profit pulling solo ads. There is a sequence that you must follow to get it right. Many webmasters have no idea how to formulate profitable solos - which is why they get poor results...do you know how to put them together successfully? In addition to knowing how to craft a profitable solo ad, you also need to know the power words that the hottest writers have known and used for years. These power words are the words that create excitement, curiosity, and the sense of want with your prospects.

Introducing eWhiz Ad Creator V. 1 ... Ewhiz Ad Creator V.1 is a software tool that was designed to run on Windows machines and will walk you through the steps of creating profit pulling eMail ads. I realize that most webmasters have no clue how to formulate their ads. They merely write an ad and hope for the best. This is precisely why I have created this new software tool. Chances are, that if you are reading this sales letter, you are atleast somewhat interested in creating successful eMail advertising campaigns.. so please keep reading to find out all of the exciting details and what eWhiz Ad Creator can do for you... I created this product for my own personal use because I needed a way to make uniform profitable eMail ads for all of my digital products. Since it has helped me to not only make money, but save money.. I decided to package it up and offer it to my clients and subscribers so that they too can enjoy the benefits - so that is what I have done! What would you say if I told you that today, you could start using eWhiz Ad Creator and..... Avoid the expense of hiring a copywriter. Create Your Ads in minutes. Learn power words, power headlines, and power statements that command attention. Generate headlines like the

pros. Generate Pre-Made Solo ad templates to use that have been proven to produce profits. and so much more! With your purchase of eWhiz Ad Creator V.1 today you will be able to gain the inside advantage over the competition by creating uniform, attention-grabbing, and profitable eMail ads! You can improve your sales starting with the very 1st ad that you create! Or, if you are an eZine publisher or advertiser you can improve your client's click through and sales rates by offering them FREE powerful ad creation! Advertising Agencies, here's a tip: Give this software package away to clients who order advertising from you. Not only will you increase the value of your services, but your clients will be able to create powerful ads, maximizing their return and increasing your bottom line! So here's exactly what eWhiz Ad Creator V.1 Will Do.... Explain step-by-step the elements of a profit pulling solo ad. Asks you for every element of your product or service and wraps it all together in the exact formula that the hottest copywriters use! Allows you to save your generated ads in 3 ways: As a text file, copies to your clipboard, or allows you to print them out on paper! Gives you working examples of each element required for a profit pulling ad. Even generates pre-made sample solo ads that have been proven to pull results! All of this in an Easy to use software environment! If you've ever searched for an easier way to create your eMail campaigns....today is your lucky day! But Wait...It Gets Even Better Because I'm throwing in a BONUS Software Tool Called ROI Forecaster That Will help you save even more cash... The ROI Forecaster Tool will allow you to forecast your expected return for any given ad campaign! As a busy webmaster, you do not need to spend your time and money on wasted returns. You need to be able to forecast your return on investment before you place an ad order AND see clear results when the ad campaign is over. If the ad campaign did not do well, you should move on to other venues of promotion.

Bonus #1 - MASTER RESELL RIGHTS -Value of \$200.00 Master Resell Rights Package - With the Master resell rights package you get : The Pre-Made Sales Letter & Graphics The Rights To Sell The Software And Keep All The Cash PLUS pass the same rights on to your clients!
