list of products in this pack plus business addons swoopo Clone telebid clone Brand new ebay clone Swoopo german clone Add ons Cbad genie Contact Automater Perpetual traffic generator Help desk software Website ranker Credit card validator POp Generator CB multi item manager at least another 15 business addon this is a business pack for complete swoopo based website this has all the scripts that u need to set up and run a successful penny auction website and the addons will help u generate traffic,marketing, maintaing the website. Everything works here bid butlers, auto bids, registration, editing, adding bids, auction items etc. Full CMS with Improved Admin Area, Google Adsense and a FULL helpdesk system. This is a pay-per-bid script that has all features as swoopo.com. BID BUTLERS WORK,AUTO BIDS WORK,REGISTRATION WORKS,PLACING BIDS WORKS,ADMIN MENU WORKS. PLUS!! A full CMS system, Improved Admin Area, Google Adsense, a FULL helpdesk system!! Everything works and is exactly like on swoopo.com, but with more add-ons You will find several swoopo/telebid scripts over the internet: -Feisty script - the one with 9 templates using cake php and broken bid butlers and broken registration.(this script is definitely not worth for a website with more than 50 users). -techbids script(bid packs,bid butlers do not work) -Most other clones - encrypted with backdoors and callbacks FEATURES: *Easy Installation *User registration and account verification. *Buying bid packages. *Paying per bid and the price increasing by a set amount. *The time increasing by 10 seconds (you can change this time in the CMS) every time a bid is placed. *General pages such as terms and conditions and a help section which you can edit. Add your own pages at free will. *The ability for members to login, update their account, purchase more bids and pay for their won auctions. *Paypal as the payment gateway by default. *Fixed price auctions and variable priced auctions are also available. *Ability to give users free bids. *Ability for users to receive free bids for registering, for winning their first auction and for buying bid packages for the first time. *Add, edit and delete articles for the latest news page. Important notice: These product are perfectly working, unencrypted, viral checked, No back door entries, complete genuine product. These generally sell for hundreds of dollar on script website, Ebay and other websites. we are offering you at a very low price. There are no refunds for this product everything is

perfectly working and Complete set of installation information is provided with this product. If there is problem with the script then it is from the server side as shared hosts have a lot of restrictions; prefer dedicated host service. We do not provide any Installation and Product Support. If You Need assistance with installation we recommend you scriptlance, there you can get installation support for a low price. We have purchased this Product with Full Master Resale right if you are the author or You think that there is a Copyright infringement of any kind associated with this Product please contact us. We Dont Support Copyright Violation.
