Why Pay A Programmer To Make Screen Savers For You? Build Your Own, Use Them To Build Opt-In List, or Sell Your Services To Others! Build Your Own Screen Savers Using Photos, Logos, Captions, and Music! This software is loaded with features: \*30-day trial with notification of days used so you know how long is left. \*Easily add images to a list. \*Re-order image list quickly. \*Remove single images, or clear list and add a new folder of images. \*Save and load settings for screensavers. \*Use image list order or use a random order for image display. Stretch images for display with no distortion, or use default image size. \*Using image sizes of 800x600 and 1024x768 can let you make custom screensaver versions for different screen sizes; ensuring the highest image quality. \*Use image transitions such as slide, fade, blinds, and more. \*Add locking options such as password, days to expire, or restrict the number of images until the user enters the password for the screensaver. \*Add scrolling messages to display during the screensaver, or hide them after the user enters a password. \*Include music and sound effects in your screensaver, you can loop the play list for continuous music play or just play it once. \*Set branding options such as: Title, Author, Date, Website, and filename. \*Set advanced branding options by adding Copyright name and date or adding a button on the configuration screen that links to your custom document. \*Add custom about screen text, and even an additional about screen message that you can include extra advertising text, links, or other information to your users. \*You can build the screensaver and save it to a file, or you can build an installer so you can distribute your screensaver to others. \*Install your screensaver on your own computer easily. \*Easy to understand help file is included with detailed instructions on how to create your screensavers. You can grab this Private Label software, complete with source codes for only \$2.95, or wait until later and pay more. The choice is yours.
